

17th March 2020

TO ALL MEMBERS

The COVID -19 virus is impacting everything we do.

We consider that the health of our members, friends & family is the most important decision in these uncertain times.

To contain it's spread we must all be extremely pro-active and follow all official advice.

The MBA has announced all finals games are cancelled and all clubs end of season finishing position (minor round) will be the end result. No rescheduling etc

In light of this and further to ongoing discussions with our board members and event's organisers it has been decided to cancel all upcoming events.

This will include...

Seafood Day 5th April

Presentation night Thursday 16th April

AGM scheduled for Saturday 9th May

I will still proceed with the board meeting on Monday 6th April for obvious reasons.

Winter bowls is not due to commence for some weeks so we will keep you informed about that.

These cancellations will have serious financial impact on our club and of course all others.

We will take this period however to commence our grant spending on renovations etc

Our club is in a reasonably strong financial position at present but no income at all will soon change that.

These are unprecedented times and we must all play our part

Yours Sincerely

On Behalf of the HBC Board

John Shaw

President
